## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-17 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claim 1, applicant should clarify whether the conductors are intended to extend through a single via hole, or a plurality of via holes.

Regarding claim 2, in line 11, applicant should clarify what is intended by "as via holes

Regarding claim 11, applicant should clarify whether the first conductor is intended to only pass through one of the holes. In line 5, there is no antecedent basis for "said same holes."

Regarding claim 12, applicant should clarify whether the first conductor is intended to only pass through one of the holes. In line 4, there is no antecedent basis for "said same holes."

Regarding claim 13, applicant should clarify whether the conductors are intended to extend through a single via hole, or a plurality of via holes.

### ***Allowable Subject Matter***

Claims 1, 2 , 11, 12 and 13 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Claims 3-7 and 14-17 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

***Response to Arguments***

Applicant's arguments with respect to claims 1-7 and 11-17 have been considered but are moot in view of the new ground(s) of rejection.
